

4th Grade Supply List 2023-2024

Your child needs to select an organization system that will work best for them this school year. Please choose from the options below.

Case-it

This is a sturdy option with a zip around feature to help keep papers inside. If you go with the Case-it, remember you will also need to purchase option #3 to go inside. Make sure folders have 3 holes.

Accordion

This option is less bulky and quicker to access. Will require students to clean out regularly. May need to be replaced mid-year.

Color-coded folders

For this option, please purchase plastic, two pocket folder in each of the following colors.

Blue Orange Yellow
Purple Red Green

CHOICE

If your child has another idea of a system that would work best for them, please check in with your teacher before purchasing supplies.
