## Please Choose One Option

### 1. Case-It

This is a sturdy option with a zip around feature to help keep papers inside. **You will need to purchase folders.**

### 2. Accordion

This option is less bulky and quicker to access. Will require students to clean out regularly. May need to be replaced mid-year. If you choose this option **DO NOT** buy folders.

### 3. 2" Binder

This option allows you to add your folders in for each class, but does not zip. **You will need to purchase folders.**
