Christine Hartwig, Assistant Principal

## Cell Phone Policy 2013-14

Students are allowed to bring a cell phone to school with parent permission. Students who bring a cell phone to school must turn the phone in to their homeroom teacher at the start of the school day. Cell phones will be stored in a secure location during the day and redistributed to students at dismissal time.

If a student is observed with a cell phone during the school day, the phone will be confiscated and brought to the office. The first time this occurs, a parent will be contacted and need to set up an appointment with the Assistant Principal to collect the cell phone. If a student repeatedly fails to follow the cell phone policy, the student may lose cell phone privileges and additional appropriate consequences will result per Group 2 of the Student Code of Conduct.

Please also note that cell phones are brought to school at the owners' risk and the school is not responsible for lost, damaged or stolen phones.

**I request that my child \_\_\_\_\_ have a cell phone at school and have read the cell phone policy.**
